Identical letters dated 16 March 2018 from the Permanent Representative of the Syrian Arab Republic to the United Nations addressed to the Secretary-General and the President of the Security Council

Following the previous letters that I have addressed to you regarding the repeated and continuing terrorist attacks by armed terrorist groups on the city of Damascus and its suburbs, and upon instructions from my Government, I have the honour to submit herewith a table clarifying the numbers of civilians killed and injured as a result of rocket-propelled grenades and mortar shells launched by armed terrorist groups against safe neighbourhoods in Damascus and its suburbs on 6 and 7 March 2018. These terrorist attacks have killed and wounded many civilians, mostly children and women, and caused serious damage to public and private property and infrastructure.

Date	*Number of rocket-propelled grenades and mortar shells launched*	*Number of civilians killed*	*Number of civilians injured*
6 March 2018	30	3	18
7 March 2018	31	–	10
